

Shanghai Jazz strives to bring the best musicians in the world to our small bandstand representing the immense spectrum of the genre from its origins in the late 1800's in Louisiana with Blues & Ragtime through its evolution with Swing, Gypsy, Bebop, Latin, Afro-Cuban, and finally, Rock & Roll. Our cocktail menu carries the same interpretive, improvisational creativity as all great music! We have listed the following drinks, beginning in chronological order, with the earliest libations and the dates when they were first poured followed by our original compositions—all of these delicious concoctions carry our own unique tune.

Cheers!
